Org. Principal 8'; Flute 8' *mp*

Ped.

* Oboe is the best option. If an oboist is unavailable, the organist may use an oboe stop (with a light tremolo), playing the oboe part with the right hand and the organ part with the left. In measures 59–66, the left hand should play with a Flute 4' and an octave lower to facilitate performance. In measures 80–87, the left hand may play both staves of the organ part.
